

THAILAND - PRESERVED AIRCRAFT

PHOTO PAGE

The listing below is split into geographical areas of Thailand, as noted below. GPS co-ordinates are given for most locations. A kmz file for Google Earth is available from the e-mail below. Corrections and additions would be very welcome to steveozel@outlook.com

The collections of the Royal Thai AF Museum, and of 'Tango' Squadron, are listed in separate files.

- Serials [thus] are not displayed on the airframe; they are generally listed as such where the RTAF serial is not otherwise noted.
- Serials "thus" are in Thai script.
- Marks in *italics* are false markings
- f/n = first noted
- Entries in *this text* have probably moved on
